#### CONSENT FORM for the USE of ONLINE SERVICES

12<sup>th</sup> August 2021

**Dear Cordian Learner:**

Greetings! As we together face the second year of the COVID-19 pandemic, Sacred Heart College of Lucena City, Inc., as an educational institution that strives for quality education, continues to provide access to online learning services as recommended by the Commission on Higher Education (CHED) for College (HED) and Graduate School (GS) students.

Sacred Heart College of Lucena City, Inc. (SHC) firmly believes that the continued use of online services would increase the range of teaching tools available to teaching faculty and at the same time enhance the learning opportunities available to our student stakeholders.

We are writing to you to seek your consent for you to be given access to the school's online services. This may involve SHC to use your full name, preferred name, course and year level to access your unique online services account.

SHC's online services currently provide:

- a. individual e-mail domain accounts for ALL students and personnel;
- b. access to the online teaching and learning services such as web-conferencing, digital resources (including library resources) and online learning activities;
- c. access to online file storage and sharing services; and
- d. access to portal services from home if the home computer or electronic device is connected to the Internet.

If you agree to make use of the school's online services, please complete and sign the following consent form. You would also need to ensure that you read and understand the contents of this form. The completed and signed documents should be returned to Sacred Heart College of Lucena City, Inc. so that an online services account can be created for you before the start of the AY 2021-2022.

Please note that while every reasonable effort is made by the school to prevent student exposure to inappropriate online content when using SHC's online services, it is not possible to completely eliminate the risk of such exposure.

You should also be aware that general Internet surfing or browsing by student stakeholders from home or locations other than the school premises is **not** monitored or filtered by the institution since it is not conducted via the school's network and that you are responsible for your use of the Internet from home.

Thank you for your usual support and patronage to the school, and may God bless and keep us and our families safe always. Sursum Corda!

Sincerely,

s.g.d  
Yvonne Hitty L. Mier

**DATA PROTECTION OFFICE**

**CONSENT FORM for ONLINE CLASSES**

**Dear Cordian Learner:**

We, at Sacred Heart College of Lucena City, Inc. (SHC), will continue to use online platforms, such as Google Suite or Zoom, for the online learning of students, faculty, personnel, parents and other stakeholders during this period of "new normal" for the AY 2021-2022.

While we feel that there is no real substitute for face-to-face instruction and interaction between faculty and students, we would like to assure you that we strive to continue to offer quality education by working with our students and are grateful for the ease and convenience this platform brings to that endeavor.

As with anything we do at SHC for our student stakeholders, we believe that a strong partnership with students and their families is essential to a successful experience with this new normal way of learning. Using this online tool will allow us to stay in touch with and give instruction to you.

Technology use at Sacred Heart College of Lucena City, Inc. is governed by **RA 10173**, otherwise known as the Data Privacy Act of 2012:

**Data Privacy Act of 2012**

DPA 2012 applies to the protection of the collection, use, process and disposal of personal information, personal sensitive information and privileged information of data subjects, including our students and personnel.
